

Are You Dealing with a Toxic Divorce?

- ✓ Is your former spouse making derogatory remarks about you to your children?
- ✓ Have your children become really angry with you?
- ✓ Is your ex resisting or refusing to cooperate by not allowing you access to your children?

If you answer yes to one of these questions, then you are likely experiencing **Parental Alienation (PA) or Parental Alienation Syndrome (PAS)**.

Dr. Kathleen M. Reay, a clinician, researcher, and author of **Toxic Divorce** is a leading expert on PA/PAS. This lecture followed by Q & A will provide knowledge, understanding, real-life examples, and powerful strategies to deal with the ramifications of PA or PAS. Alienated parents, loved ones, mental health professionals, educators, legal professionals, and criminal justice personnel are invited to attend.
